

## Friends of Myles Standish State Forest

*Helping the forest for a better world.*

# What **can you** do for your forest? **Join** FMSSF.

Friends of Myles Standish State Forest (FMSSF) supports recreational use of the forest in a manner consistent with the protection and preservation of the environment. We are dedicated to restoring and maintaining the forest and its trails, providing education about natural ecosystems, and promoting robust wildlife habitats.

- FMSSF hosts meetings with guest speakers who help us understand the forest
- FMSSF conducts work parties to help maintain and improve the forest
- FMSSF works with the MA Department of Conservation and Recreation to create programs that encourage youth, foster community and enhance wildlife habitat.

## Joining is **easy!**

Membership in FMSSF is free with 3 hours of work at an official FMSSF work party. Just show up. Can't do it? Then please support FMSSF and the forest by sending this form and your membership donation to Robert Bentley, Treasurer, Friends of Myles Standish State Forest, Inc., 60 Wenham Road, Carver, MA 02330-1220. All donations are tax deductible.
