Explore Space with Smokey Bear

Wednesday, August 15th, 6pm – 10pm

Join DCR Bureau of Forest Fire Control, NASA, and the US Forest Service to learn all about space, forest fire, and how they are connected! Many fun activities for people of all ages, including:

- NASA Astronaut Mike Forman presents: *Experiences in Orbit*
- US Forest Service presents: *USFS and NASA Connections and Moon Trees*
- Meet DCR Forest Fire Control, Smokey Bear, and NASA mascot Cosmo
- Explore learning stations including *Train Like an Astronaut*
- Stay till dark to stargaze with an astronaut, take photos and get autographs!
- Cookies and cocoa provided by Friends of Myles Standish State Forest

The event is free and co-sponsored by DCR, NASA, and USFS. A great event for children accompanied by adults. Wheelchair accessible; reasonable accommodations upon request. Event will take place behind Headquarters. Rain or shine. For more information call DCR Forest Fire Patrolman Michael Marquardt at (508) 866-4996.
